THE MARLBURIAN CLUB

AUDITORS' REPORT TO THE MEMBERS

YEAR ENDED 31 MARCH 2014

We have audited the financial statements on pages 2 to 5 which have been prepared under the historical cost convention and on the basis of accounting policies set out on page 4.

This report is made solely to the members of the committee, as a body. Our audit work has been undertaken so that we might state to the members of the committee those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the club and the club's committee members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF MEMBERS OF COMMITTEE AND AUDITORS

Members of the Committee are responsible for preparing financial statements for each financial year which give a true and fair view of the state of affairs of the Club and of the surplus or deficit for that period. In preparing those financial statements, members of the Committee are required to select suitable accounting policies and then apply them consistently, make adjustments and estimates that are reasonable and prudent, state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements and prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Club will continue in business. Members of the Committee are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Club. They are also responsible for safeguarding the assets of the Club and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the members of the Committee in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Club's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view of the state of the Club's affairs as at 31 March 2014 and of its surplus for the year then ended.
